Reviews

Basically no terms to explain. I have read and so i am certain that i will gonna go through once again once more in the future. I realized this ebook from my dad and i encouraged this book to discover.
(Forest Little)

WRITTEN IN THE STARS: A HAVENWOOD FALLS HIGH NOVELLA (PAPERBACK)

Ang dora Productions, LLC, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Welcome to Havenwood Falls, a small town in the majestic mountains of Colorado. A town where legacies began centuries ago, bloodlines run deep, and dark secrets abound. A town where nobody is what you think, where truths pose as lies, and where myths blend with reality. A place where everyone has a story. Including the high schoolers. This is only but one. The Kasun wolf pack has always been led by a female alpha, but when Willa Kasun's mother died to give her life, her father stepped in as leader. Now that she's about to come of age, the pack will once again be led by a female, as it is meant to be. Except Willa hasn't shifted yet. Less wolf and more cub-dud, Willa has until her next birthday to shift and claim her place as alpha, or she'll lose it forever. Something her pack mates won't let her forget. The few supernatural powers that have manifested are her secret and the only hope she has of unleashing her wolf. Distractions of life as a junior at Havenwood Falls High provide a needed escape from the pack's pressure, making Willa feel more like a teenager and less like an alpha every day. Then there's Tarron Wilde, a sarcastic and striking elf, who makes her wonder if being alpha is really what she wants. Her heart yearns for a reality unfamiliar and feared by her pack, while her mind can't accept being replaced as alpha. The future of her entire pack relies on Willa's choice-embrace what was written in the stars so long ago or choose to fight for what her heart desires....
