Eibonvale Press, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this, his extraordinary debut novel, Jet McDonald has created a heady brew of volatile cocktail ingredients. Madcap surreal humour blends with vicious parody of the world of work, the vanity of Creative types, the torments of unrequited love, animal cruelty and the excesses of consumer society. Words and sentences undergo some kind of alchemy under McDonald's reckless stewardship, he whips them up into little frenzies like performing pooches and makes them jump through the burning hoops of our open mouths and frazzled brains. Not so much a breath of fresh air as a snort of something industrial, read this book and become initiated into a rebellion of the mind that will leave you inspired and laughing with exhilaration.
