Brand New Book ***** Print on Demand *****.Synopsis: Charles Simeon ministered for over fifty years in one parish at the heart of Cambridge during the bleak period of English national life between the French Wars and the passing of the Reform Bill. He was considered by Lord Macaulay to have had greater influence on the life of the church than any primate. Soundly converted in his first term at King s College, he was appointed Vicar of Holy Trinity in 1782, combining the incumbency with a Fellowship and various academic posts. Highly unpopular at first on account of both his message and his manner, scorned and abused for many years, he carried on regardless of other s opinions until in the end he became perhaps the best known and best respected name in Cambridge. Hot-tempered but warm-hearted, impetuous but infinitely patient, a man of imposing, even remarkable appearance, he was a character, about whom the most entertaining stories are eagerly recounted. As a Christian of independent mind and strong convictions, he found his spiritual strength in a lifetime of deep devotion and strict personal discipline; as a biblical preacher he was the first for many generations to see the possibility and importance of teaching men how to expound the Scriptures; as a pastor and evangelist his work with both town and gown was marked by a rare faithfulness and zeal. Limited all his life to the one center of spiritual activity, he yet was the moving spirit in the formation of the Church Missionary Society, and an enthusiastic supporter of the Bible Society and of work among the Jews. Endorsements: A brilliant biography. I can only think in superlatives . . . this book will be the definitive...
