By Oskar Olofsson

WCM Consulting AB. Paperback. Condition: New. 110 pages. Dimensions: 8.4in. x 5.8in. x 0.7in. Everyone wants order, but no one wants to clean up someone else's mess. Succeeding with 5S is a detailed step-by-step guide for when you need to work together to improve your workplace and simultaneously build a foundation for future improvement and Lean work. This book answers questions like: How do you plan your work? How do you get all of the staff interested? Are there any traps and what form do they take? How will the manager's role change? How can you visualize the work? 5S can be used everywhere that relies on cooperation in shared workplaces. This book gives examples from production, the service industry, and administrative processes through case studies from companies like Trioplast, Holmen and Aditro. Succeeding with 5S is meant for the people who are leading, supporting or participating in the work. The book was first published in Swedish. Praise for the Swedish version: The book has been very useful to read!, Rolf Jansson, Business Developer, Scan AB. Hello Oskar, I have read your book, good and useful. I want to order 13 books to all supervisors. Fredrik Karlsson, Production Manager, Kopparbergs Bryggeri AB...
