Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Systemic Creation of Organizational Anxiety: An Empirical Study Inquiry into a product development organization in the semiconductor industry revealed a high level of organizational anxiety. Using causal loop diagramming in conjunction with qualitative data analysis, inside members of a research team created a map of the organization s cognitive schema (or collective mental model) from data obtained from informants in the organization. The map showed how the organization s use of classic defense mechanisms to control organizational anxiety instead created.
