Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Congress periodically establishes agricultural and food policy in an omnibus farm bill. The 112th Congress faces reauthorization of the current five-year farm bill (the Food, Conservation, and Energy Act of 2008, P.L. 110-246) because many of its provisions expire in 2012. The 2008 farm bill contained 15 titles covering farm commodity support, horticulture, livestock, conservation, nutrition assistance, international trade and food aid, agricultural research, farm credit, rural development, bioenergy, and forestry, among others. The Senate Agriculture Committee approved its version of the 2012 omnibus farm bill on April 26, 2012 (Agriculture Reform, Food, and Jobs Act of 2012), and officially filed the measure, S. 3240, on May 24, 2012. Within its 12 titles, the five-year Senate bill would reshape the structure of farm commodity support, expand crop insurance coverage, consolidate conservation programs, revise the Supplemental Nutrition Assistance Program (formerly food stamps), and extend authority to appropriate funds for many U.S. Department of Agriculture (USDA) discretionary programs through FY2017. Senate floor action on the measure is expected in June, as is House Agriculture Committee consideration of its version of a 2012 farm bill.
