Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE WAY THINGS OUGHT TO BE: REALLY! (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Specifically, you had a golden opportunity to fix unemployment [hereafter UE]-and you let the opportunity slip away--didn t fix it! When the Democrats held majorities in Congress and the White House-and full support of the America people-the honeymoon-the first 6 months, give or take, you had the opportunity to fully implement Pro-Market Humphrey-Hawkins-[hereafter HH--15 USC 3101]--the most important legislation passed in the 20th Century-and it would have ended our unemployment crisis! Indeed, when I saw you going down the antiquated and unworkable fix the market, and that will fix UE -rather than the other way around-I thought Oh no -the Democrats don...
