Oneworld Publications, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. To understand the world events today, you need to understand American politics. Exploring the principles enshrined in the Declaration of Independence and the Constitution, Jon Roper provides a sharp analysis of how history has shaped the way America governs itself. Examining the recent emergence of the right-wing Tea Party movement, President Obama's administration, American foreign policy, and the role of powerful lobbies, this is the perfect primer for anyone interested in the world's most powerful (and controversial) country.
