Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Even though it is an extremely widespread practice, happy ending massage is very rarely spoken of. Discussion of the subject is restricted to semi-serious and humorous remarks when it's brought up at all. So what's a guy to do? How is he to learn? Don't roam around in the dark. Pick up this book and benefit from my decades of experience with every kind of massage and masseuse there is. Find out everything you need to know about Chinese massage parlors, Korean massage parlors, Russian massage parlors, American massage parlors, independents, Tantric massage and more. Prices, procedures and safety with no nonsense, fluff or filler.
