Reviews

Completely one of the best ebook I actually have possibly study. It can be writter in simple phrases and not confusing. You can expect to like the way the author write this book.
(Josefa Ebert)

NORMAL: TRANSSEXUAL CEOS, CROSSDRESSING COPS AND HERMAPHRODITES WITH ATTITUDE

Bloomsbury Publishing PLC, United Kingdom, 2003. Paperback. Book Condition: New. 198 x 129 mm. Language: N/A. Brand New Book. Journalist, psychotherapist and novelist Amy Bloom explores sex and gender through portraits of people who are widely considered not normal - transsexuals, crossdressers, hermaphrodites - a group of people larger and more normal than most of us would imagine. There are men like Hale, a regular, middle-of-the-road, white-bread guy with a wife, kids, and a medical condition, the standard treatment for which would have changed his life and his gender. Mothers like Jessie, who realised that her little girl was in fact a boy and used her life savings to help him make the transgender transition. And couples like Peggy and her husband, Melanie , who holiday on cruise ships along with fellow heterosexual crossdressers. Bloom cuts through the psychology by showing us these people as they really are and in their own words. This intimate portrait reinvents the idea of sex, gender, and identity, and the very concept of being normal .
