PARANORMAL SURREY (PAPERBACK)

The History Press Ltd, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. The county of Surrey may wear a face of suburban and rural normality, but lurking not far below the surface is an unequalled amount of paranormal activity and strangeness. In this volume, well-known local author Rupert Matthews, an expert on the subject of the paranormal, draws together a terrifying and intriguing collection of first-hand accounts and long-forgotten archive reports from the county's history. From big cat sightings and ancient monsters to poltergeists and UFOs, this compendium of the bizarre events that have shocked and frightened the residents of Surrey is richly illustrated with a range of modern photographs and archive images. Finally revealing the story behind many of Surrey's most famous myths and legends, whilst also shedding light on some lesser known paranormal phenomena, this book will fascinate those who are unaware of this side of the county's character.
