AUTHORHOUSE, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In In the 1950 s, Key West had yet to experience the melee of being sought out as a tourist-haven. Times were simpler; doors still remained unlocked on people homes, and young people could travel the island on foot or bike without their parent s being too concerned. However, with the coming of the first storm of summer, three preteen s lives would be changed forever. On the first day of Colby s, Michael s, and Andrea s summer vacations, their lives would become intertwined with a mysterious entity from the past, and also with a more-than-scary individual lurking in the shadows. Having to rely upon their common sense, knowledge gleaned from Nancy Drew books, and advice from their parents, the trio soon find themselves playing-out a real-life mystery. Their childlike naivete, however, just may cost them their lives. Smugglers of Mallory Square was written specifically for 10-11 year olds. No graphic language or actions are included in the story. The story was written to reflect the innocence an era gone by.
