E3 2009o OCLC Number: (OCoLC)526717821 Subject: Education and state -- United States. Excerpt: . . . 11 Under the Title I Program, we will provide 1. 5 billion for the School Improvement Program. This money is vital for helping states and districts address problems in schools that are in the most trouble. We already have 3 billion for this program from the Recovery Act, and another 545 million from fiscal year 2009. By adding 1. 5 billion in fiscal year 2010, we have more than 5 billion to address the problems of our lowest-performing schools. I would like to set a goal to turnaround, over time, 1, 000 low-performing schools each year. I do not want to invest in the status quo. For children, families and communities that have been poorly served for too long, we must act with a sense of urgency. We cannot wait because they cannot wait. When we think about only 2, 000 schools in this country producing 50 percent of our nations dropouts and 75 percent of our minority-children dropouts, we have a real challenge there. And we have a real opportunity, with resources on the table, and with courage and political will, to challenge that to work with those dropout factories - to work with their feeder middle schools and elementary schools - to fundamentally stop those dropout factories, those drop-out pipelines, and do something dramatically better for those children in communities, that I would argue, in many places, have been underserved not for a couple years, but for decades. And everyone in this room knows that when children drop out today, they are basically...
