Brand New Book ***** Print on Demand *****.Excerpt from The Teacher and the School; Or School Economy: Outlines, Directions, and References; A Basis for Lectures, and Talks Given by the Principal to the Senior, Classes in the State Normal School, Los Angeles, California Young teachers need some definite instructions on School Management before they assume charge of schools. They may have a clear knowledge of the science of teaching, and utterly fail in their work if they do not know how to organize and manage a school. This knowledge cannot be gained in a Normal School. It is, therefore, the most difficult problem for the young teachers when they are first thrown on their own responsibility. These hints and directions are formulated principally from the experience of the author for nearly twenty-five years in the public schools of three States. They, in no sense, make a complete work on School Economy, but may, with the many references given, be of aid to teachers who have had little experience. Quotations have been freely taken from and references made to the following works: Education, George Combe;...

A top quality publication and also the font employed was interesting to learn. It is really simplistic but excitement within the fifty percent from the book. Its been designed in an remarkably basic way in fact it is only following i finished reading this pdf where in fact changed me, modify the way i believe.
