

Trading Currency Cross Rates: Proven Trading Strategies from a Leading International Currency Trader and a Noted Expert on Futures and Options (Hardback)

By Gary Klopfenstein, Jon Stein

John Wiley Sons Inc, United States, 1993. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. For commodity traders and portfolio managers--a practical, hands-on guide to profiting in today's growing international cross rate markets. Cross rates trading is growing increasingly popular, fueled in no small part by banks and multinationals seeking creative strategies for hedging currency risk and speculators seeking profits from interest rate plays and exchange rate moves. Trading Currency Cross Rates is the passkey to this vastly profitable financial sector. Written for the experienced trader moving into the currency futures and foreign exchange cash markets, as well as for the corporate portfolio manager seeking to limit company exposure, this professional guide covers the fundamentals of today's cross rates markets and delivers the step-by-step techniques needed to trade cross rates successfully. Packed with charts and tables that apply over a broad range of international markets and currencies, the guide: Explains what cross rates are and profiles the different types that currently are traded Shows whether to trade on an agency or principal basis, and how to avoid counterparty failure Covers the building blocks of currency valuation and the best methods for forecasting...
