John Wiley Sons Inc, United States, 2012. Hardback. Condition: New. 1. Auflage. Language: English . Brand New Book. HR professionals guide to creating a culturally agile talent pipeline Succeeding in today s global economy requires organizations to acquire, develop, and retain professionals who can operate effectively around the world, irrespective of country or culture. More than ever before, organizations need a pipeline of professionals who possess cultural agility, the ability to quickly, comfortably, and successfully work in cross-cultural and international environments. As the competition for culturally agile talent grows, meeting this critical human resource challenge requires highly effective, cutting-edge talent management practices. With step-by-step guidance and evidence of effectiveness, this book offers those critical practices many which can be implemented today. * Includes how-to details for implementing talent management practices to build a pipeline of cultural agile professionals in any organization * Features illustrative examples from a wide range of organizations, including the Peace Corps, the US Military, and many Fortune 500 companies * Allows access to the Cultural Agility Self-Assessment (CASA), an interactive online assessment This book is a must-have resource for human resource professionals and all business leaders who know that the key to their organizations success in today s complex global economy is their culturally agile human talent.
