See Sharp Press. Paperback. Book Condition: new. BRAND NEW, Free Radicals: A Novel of Utopia and Dystopia, Zeke Teflon, Set in a dystopian society in the not-too-distant future, this science-fiction novel follows the misadventures of a bar musician and army vet who is set up on terrorism charges and deported to a single-continent prison planet. After a fight in which he nearly kills a neo-Nazi, the anti-hero main character flees to the other end of the continent with a prisoner he knew from Earth -- a Mexican anarchist and fellow musician -- on a Gulliver's Travels type journey through a number of political and religious cult compounds. With comical depictions of the various cults they encounter on the way, Free Radicals insightfully explores the often-failed attempts at utopia and the day-to-day life of two travelling musicians.
