Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Church looks ridiculous to unbelievers. I know - I m married to one. They see a people loosely bound together by belief in God, but fighting about every other detail. They see a people that professes a powerful God that seems to be completely impotent to answer even the smallest prayer. They see leaders in the Church giving lip service to love, but there s no action behind the words. In short, they see Christians not the same as your average Joe, but WORSE than your average Joe. They see a people who are not honest with themselves or anybody else. The Church sends missionaries to the far corners of the globe but can t seem to reach the average Joes right under its nose. The Church as a whole - the body of Christ - has become lost and ineffective. This didn t just happen. The Church has had a target on its back ever since the second chapter of Acts. Paul knew that the Church needed certain things if it was going to be able to stand against Satan s schemes and be effective in reaching the world for Christ, and he outlined them in his letter to the Ephesians. It is God s plan, purpose, and power for the Church.
