

Keys and Chords: A Book for Guitar Players (Paperback)

Filesize: 5.11 MB

Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Sallie Wiegand)

KEYS AND CHORDS: A BOOK FOR GUITAR PLAYERS (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Keys and Chords answers two questions. What is a key? and, What chords are in the key? You could memorize a french dictionary and still not be able to speak french. Likewise, you could memorize a chord book and still not be able to play guitar. We don't speak or play in alphabetical order! This book will also introduce you to a numbering system that many studio musicians use in recording sessions. This numbering system (not math!) will help you develop your ear to recognize chord progressions.
