A Contractor's Guide to the FIDIC Conditions of Contract (Hardback)

By Michael D. Robinson

John Wiley and Sons Ltd, United States, 2011. Hardback. Book Condition: New. 248 x 178 mm. Language: English . Brand New Book. This guide will help the contractor's staff overcome some of the difficulties encountered on a typical international contract using FIDIC forms. The majority of FIDIC-based contracts use the Red Book (Conditions of Contract for Construction), so this book concentrates on the use of those particular forms. Supplementary comments are included in Appendix C for the Yellow Book (Plant Design-Build) recommended for use where the contractor has a design responsibility. The Contractor is represented on site by the Contractor's Representative who carries the overall responsibility for all the Contractor's on-site activities. In order to provide guidance to the Contractor's Representative and his staff, this book is divided into five sections: * A summarized general review of the Red Book from the Contractor's perspective. * A review of the activities and duties of the Contractor's Representative in the same clause sequencing as they appear in the Red Book. * A summary of these activities and duties but arranged in order of their likely time sequence on site. This has the added intention of providing...

Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statted that there had not been a worth looking at. You won't really feel monotony at any moment of your own time (that's what catalogs are for about should you request me).
