Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Prof Huxley in America My opportunity of examining is far too slight to render it otherwise than presumptuous for me to say whether the measures you have taken are sumcient for their purpose or not. I hope you will permit me to insist upon the fact that it is only by the increase and development of the kind of education I have mentioned that these resources can be turned to a thorough and efi ectnal account. And there is no difficulty. Let me say, in the acquirement of the physical sciences in the ordinary schools. I don t speak of that matter as a theorist; I speak as hav ing had an intimate acquaintance for the last 20 years with the educational system of the mother country. There the system by which the elements of physical science are taught in all the primary schools that have been in active operation, has scarcely acquired perfect development until now. In some branches we have and or more young people under examination annually. We have organized methods of instruction. Our elementary teachers have been so instructed in the means of teaching, that at length I think it may be said that we have organized machinery by which elementary scientific teaching has been secured through the length and breadth of the land.
