Excellent electronic book and helpful one. Better then never, though i am quite late in start reading this one. You wont truly feel monotonny at whenever you want of your time (that's what catalogues are for relating to when you question me).

ROADTRIP (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The mysterious stranger on the side of the road doesn't know much, but he's pretty sure he's not Elvis. The baby with wings driving the car has his own set of problems, but that won't keep him from helping a fellow traveler out. Now they are on a journey of discovery in the only thing that makes sense to either of them: a 1963 Pink Cadillac. One of the cornerstones of the San Cibola shared universe is finally available again! Originally printed in Gods New and Used, this is the updated and revised story of Aaron King and what happens when he accepts a ride with the God of Love.
