Laurence King Publishing, United Kingdom, 2015. Hardback. Condition: New. Language: English . Brand New Book. In the history of twentieth century modernism, Henri Matisse is a calm and unstoppable revolution of creative genius. Trained originally in the French classical manner, he was inspired by the Impressionists and Cezanne to create in a style that brought out the beauty of colour, form and line by reducing them to their essentials. While considered a leader of the Fauves and an inspiration to most of the great figures in modern art, he wasn t particularly interested in being associated with any particular school or trend. A family man who worked office hours in his studio he defies the image of the artist as enfant terrible or tortured soul. In a career spanning six decades, he produced masterpiece after masterpiece that constantly challenge how we perceive colour and form.
