TRACE-A-STORY: RAPUNZEL (CURSIVE PRACTICE BOOK) (PAPERBACK)

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Practice cursive handwriting in a challenging new way! The Trace-A-Story series publishes classic stories in traceable cursive and manuscript handwriting. This gives children extra practice in a more challenging setting and gives them a reason to complete the practice book. Every story is broken up into sections so that it s not too intimidating. One section per day is ideal, but since every person learns at different speeds, more or less can be done per day. Story Summary: After being caught stealing rampion from an enchantress garden for his wife, a man agrees to give the enchantress his soon-to-be-born child. As soon as the baby girl was born, the enchantress came and named the baby Rapunzel before whisking her off. For twelve years, the enchantress raised the baby girl before shutting her in a tower away from the world. Years later, a prince happened to come across the tower and discovered her. Will the prince save the sweet singing lady? Or will the enchantress banish her from ever being found?.
