Childhood sexual abuse is most often perpetrated by someone the victim knows. It happens to both boys and girls.Domestic Violence is also perpetrated generally by one we once loved. If you, or someone you know is experiencing abuse or has in the past, know you are not alone.This happens in epidemic proportions in our world and the pain that it leaves us with is incredible. Many are broken and struggle to find wholeness.We are here to say that you are NOT alone. That healing IS possible. There is quite a movement happening right now. A movement of women and men rising up and speaking out.The beauty of this is that in there is an amazing healing that takes place from the writing and sharing of your story. We begin to forgive, first and foremost ourselves, then others who were involved. We feel that forgiving is something that must be done for ourselves.In that process, we begin to love ourselves.a key ingredient to transforming our lives into not just healing, but...
