One of the most respected living horror writers in the world, Campbell has more awards for his horror tales than any other author, and is likely to be remembered as the leading horror writer of our generation, according to S.T. Joshi. One of the heirs apparent to early-twentieth-century American author H. P. Lovecraft, Campbell's horror stories are often set in contemporary Merseyside, England, his own hometown, and involve quite ordinary characters. His unsettling, dreamlike prose, however, transforms his work into very effective horror fiction. Holes for Faces collects many of his best tales from the first decade of this century. An attempt to avoid a haunted house leads into worse danger. The announcements at a railway station deal with stranger things than trains, and is that another railway station in the distance or a different kind of destination? A childhood game becomes a source of terror, and so does a radio quiz show. Even Christmas decorations may not be trusted, and beware of that Advent calendar! A hotel provides amenities you mightn't welcome, and a visit to a tourist attraction attracts an uninvited follower. A train journey may never end, unless it already has, and a visit to a hospital brings back more than memories. A myth about a horror film has unwanted consequences. There are angels you mightn't want to see too clearly, if that's what they are. And you'll have to decide if it's better to stay in the dark or see what's waiting there. You'll find uncanny dread in these pages, and disquiet and terror, but also poignancy and comedy of paranoia. One theme runs through all the stories:...
