

Upon This Rock: The Doctrine of the Papacy (Paperback)

Filesize: 1.45 MB

Reviews

It is great and fantastic. I have go through and i am sure that i will likely to study again once again later on. I am just easily could possibly get a enjoyment of looking at a published book.
(Tad Stanton Sr.)

UPON THIS ROCK: THE DOCTRINE OF THE PAPACY (PAPERBACK)

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Ubi Petrus Ibi Ecclesia Where Peter is, there is the Church. Jesus founded the Catholic Church on the rock, Peter, the first Pope. Many powers were given to Peter, which are transmitted to his successors until the end of time. Theologians consider these prerogatives of the Pope an essential part of the Catholic Church. Remove any of these attributes of the Pope, and the Papacy ceases to truly exist. The Pope, as Bishop of Rome is not merely the first among equals, but the head of the Catholic Church. In fact, the Church would not truly be Catholic and Apostolic without a visible head. The Pope is the successor of Saint Peter and the Vicar of Jesus Christ. In fact the unity of the Church depends on this visible head of the Catholic Church. In the past century and a half, the doctrine of the Papacy has been attacked from all sides, including from theologians who claim to be Catholic, but truly are not. First of all, one must consider just how a man becomes the Vicar of Jesus Christ. The method of election has varied over the centuries, and some of these elections have been irregular. The conclave came into being at the earlier part of the last millennium. What would happen, if all of the Cardinals were killed, while the Papacy was vacant? How would the Church supply herself with a Pope? This is not an idle question in this age of terrorism. This work contains commentary on the various Papal elections laws from history. Who is capable of being elected Pope? How do we determine who are papabile? Once we have a Pope, what are his rights and duties...
