5starcooks, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Whats the best design framework for Sales EQ organization now that, in a post industrial-age if the top-down, command and control model is no longer relevant? What does Sales EQ success mean to the stakeholders? How can we incorporate support to ensure safe and effective use of Sales EQ into the services that we provide? Is maximizing Sales EQ protection the same as minimizing Sales EQ loss? Are there Sales EQ Models? Defining, designing, creating, and implementing a process to solve a business challenge or meet a business objective is the most valuable role. In EVERY company, organization and department. Unless you are talking a one-time, single-use project within a business, there should be a process. Whether that process is managed and implemented by humans, AI, or a combination of the two, it needs to be designed by someone with a complex enough perspective to ask the right questions. Someone capable of asking the right questions and step back and say, What are we really trying to accomplish here? And is there a different way to look at it? For more than twenty years, The Art of Service s Self-Assessments empower people who can do just that - whether their title is marketer, entrepreneur, manager, salesperson, consultant, business process manager, executive assistant, IT Manager, CxO etc. - they are the people who rule the future. They are people who watch the process as it happens, and ask the right questions to make the process work better. This book is for managers, advisors, consultants, specialists, professionals and anyone interested in Sales EQ assessment. All the tools you need to an in-depth Sales EQ Self-Assessment. Featuring 615 new and updated case-based questions, organized into seven core...
