Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Annotated. Language: English . Brand New Book ***** Print on Demand *****. The Importance of Being Earnest, A Trivial Comedy for Serious People is a play by Oscar Wilde. First performed on 14 February 1895 at the St James s Theatre in London, it is a farcical comedy in which the protagonists maintain fictitious personae to escape burdensome social obligations. Working within the social conventions of late Victorian London, the play s major themes are the triviality with which it treats institutions as serious as marriage, and the resulting satire of Victorian ways. Contemporary reviews all praised the play s humour, though some were cautious about its explicit lack of social messages, while others foresaw the modern consensus that it was the culmination of Wilde s artistic career so far. Its high farce and witty dialogue have helped make The Importance of Being Earnest Wilde s most enduringly popular play.
