Crystal is the Ice princess of Astoria. Garbed in her ornate blue Angel armour she is known for her kindness and compassion. Admired and respected by the very people she defends, she lives up to the very essence of being an Astorian. But Crystal isn't Astorian. Every story has a beginning, each character an origin. Crystal has no memory of where she came from. Is her past as bright and happy as her demeanour suggests or is it saddened and tainted with darkness.
