Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.

EXTRAORDINARY TEXAS WOMEN

Texas Christian University Press, U.S. Hardback. Book Condition: new. BRAND NEW, Extraordinary Texas Women, Judy Alter, Texas just may be the state in the Union with the strongest masculine image. Our heroes, from cowboys to the Alamo to Stephen F. Austin and Sam Houston, have always been men. But there have also always been women with gumption. The Texas women in these pages have made history in a variety of ways - some outrageous, some inventive, most courageous. They have been crusaders, sports stars, outlaws, entrepreneurs and business leaders, ranchers and cowgirls, philanthropists, artists - and often, characters. They lived outside convention and caught public attention to one degree or another. For some, their greatest accomplishments and most unusual adventures came after they left Texas, but they are still bound to and influenced by a Texas heritage. They're here on these pages - the women you know about, from Emily Morgan (the supposed Yellow Rose of Texas) to Ann Richards and Lady Bird Johnson. But, there are also some you may not know, like Pamela Mann, who stood up to Sam Houston, and Ninnie Baird who started a chain of bakeries by first selling her homemade bread to neighbors. Read and enjoy!.
