

Freedom from Fear: The American People in Depression and War, 1929-1945

Filesize: 6.19 MB

Reviews

I just started off reading this article publication. This really is for all who statte there had not been a really worth looking at. You will not feel monotony at anytime of your own time (that's what catalogs are for about should you ask me).
(Prof. Jeremie Kozey)

FREEDOM FROM FEAR: THE AMERICAN PEOPLE IN DEPRESSION AND WAR, 1929-1945

[DOWNLOAD](#)

Oxford University Press, USA. Paperback. Condition: New. 936 pages. Dimensions: 9.2in. x 6.1in. x 2.3in. Between 1929 and 1945, two great travails were visited upon the American people: the Great Depression and World War II. This book tells the story of how Americans endured, and eventually prevailed, in the face of those unprecedented calamities. The Depression was both a disaster and an opportunity. As David Kennedy vividly demonstrates, the economic crisis of the 1930s was far more than a simple reaction to the alleged excesses of the 1920s. For more than a century before 1929, Americas unbridled industrial revolution had gyrated through repeated boom and bust cycles, wastefully consuming capital and inflicting untold misery on city and countryside alike. Freedom From Fear explores how the nation agonized over its role in World War II, how it fought the war, why the United States won, and why the consequences of victory were sometimes sweet, sometimes ironic. In a compelling narrative, Kennedy analyzes the determinants of American strategy, the painful choices faced by commanders and statesmen, and the agonies inflicted on the millions of ordinary Americans who were compelled to swallow their fears and face battle as best they could. Both comprehensive and colorful, this account of the most convulsive period in American history, excepting only the Civil War, reveals a period that formed the crucible in which modern America was formed. The Oxford History of the United States The Atlantic Monthly has praised The Oxford History of the United States as the most distinguished series in American historical scholarship, a series that synthesizes a generations worth of historical inquiry and knowledge into one literally state-of-the-art book. Who touches these books touches a profession. Conceived under the general editorship of one of the leading American historians of our time, C. Vann Woodward, The...
