Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2014. Paperback. Book Condition: New. 228 x 154 mm. Language: English . Brand New Book ***** Print on Demand *****.About the Book: What do three-year-olds, teddy bears, and great leaders have in common? They all know the value of lots of hugs. Sure, kids and teddy bears are natural huggers, but leaders, managers, executives? Obviously, in the workplace, we are talking about metaphorical hugs-the small, everyday acts of recognition that make employees feel appreciated, validated and recognized for the efforts and contributions they make for the success of the business. Great managers know that. They know that these small acts of recognition will help them to realize their full potential and the full potential of their people. All of us are driven by a strong need to be appreciated (or hugged, if you will) rather than rejected and hurt. The power of helping others, of acknowledging others, of making them feel good, of teaching and inspiring them, the power of thanking them, of simply being nice to them-of being able to give them a virtual hug -is immense. It s far more rewarding than one can imagine, far more satisfying, and delivers far more tangible and positive results than people realize. Think about it, being scolded, put-down, or even bullied, makes employees shut down, check out, and disengage, with disastrous consequences to the success of the business. Recognition, on the other hand, is a powerful motivator. It s the fuel that drives people to higher levels of achievement, engagement, and fulfillment. Learning easy ways to recognize and appreciate your employees will enhance their dedication, motivation, accountability, and satisfaction on the job and, therefore, will be a potent driver to increase your organization s productivity, minimize mistakes, and improve bottom-line results. Gimme a Hug explains how the basic...
