Brand New Book ***** Print on Demand *****.NQF has made progress on projects under its contract activities, as of August 2011. Specifically, NQF has completed or made progress on 60 of 63 projects. For example, NQF has completed projects to endorse measures related to various topics, including nursing homes. However, for more than half of the projects, NQF did not meet or did not expect to meet the initial time frames approved by HHS. For example, NQF completed one project to retool measures-that is, convert previously endorsed quality measures to an electronic format. While the retooling project was expected to be completed by September 2010, its completion was delayed by 3 months. NQF and HHS officials identified various reasons that contributed to this delay, including an expansion of the project's scope and complexity. As a result of the delay, HHS did not have all the retooled measures it expected to include in its Electronic Health Records (EHR) Incentive Program. The delay of this project was also a contributing factor to NQF exceeding its estimated cost for its entire contract activity related to EHR by...
