

One Hundred Lessons in Agriculture: With Practical Problems (Classic Reprint)

By Aretas Wilbur Nolan

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from One Hundred Lessons in Agriculture: With Practical Problems The preparation of this book is an effort to combine in convenient form the discussions, directions for laboratory and field exercises, note-book work, and farm arithmetic, which the author has found most practical and helpful in teaching elementary agriculture in rural schools. It has been the aim of the author to select from the vast field of agricultural knowledge and practice such subject-matter, materials, and methods as the teacher in the one-room country school, in the grammar grades of a graded school, or in the beginning years of a high school, may find easily practical, within the range of the pupil's understanding, and full of profitable interest and educational value. It is a text-book and manual combined for the purpose of leading away from the usual text-book method of teaching to the method of first-hand contact with the real things of agriculture. The fields, the pastures, the groves, the orchards, and the gardens, are the real text-books, -this book is only a friendly guide-post. If the...

Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

-- Lexie Paucek PhD

This pdf is indeed gripping and exciting. It is written in easy words and phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.
