Sandy and Ella are out playing on the beach one day when they spot something sparkling by the jaggy rocks. They run over to see what it is, and find a telescope that someone has left behind. But how will they find the owner? Then they see a funny shape in the sand -- and realise it s a bottom print! They run back home for their art kit and trace the print. Then the big bottom hunt begins, as they ask each villager in turn, Is this your bottom? A delightful and very funny story from Edinburgh writer and storyteller Lari Don, illustrated with great charm by up-and-coming illustrator Gabby Grant.
