Designing your Life is a book written by two authors who want to show people a different perspective on life. Most of us struggle to find exactly what we want to do with our lives in terms of what we want to accomplish. The main reason and cause of our struggle is a very popular, but very dysfunctional belief, which states we need to make the best of our current circumstance. But that is not the road to success. If we look at our lives and our surroundings, we will see that everything is made, or designed, as a solution for some problem. Sometimes people need to try many times in order to solve a specific problem. To make the best of our lives, consider trying the following techniques. With proven results, success is easy to obtain. Here Is A Preview Of What You Will Get: - A summarized version of the book. - You will find the book analyzed to further strengthen your knowledge. - Fun multiple choice quizzes, along with answers to help...
