

University of California Publications in Zoology Volume 24

By Berkeley University Of California

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1922 Excerpt: .was found near Telegraph Creek, laid on the bare ground in open woods. The female, shot before the egg was found, contained a second egg, nearly ready to be laid. A set of two eggs, slightly incubated, was taken June 26 in the same tract of woods. This was an area that had been burned over, leaving a scattering growth of small lodgepole pines, with but little underbrush between. A third set was collected at Doch-da-on Creek, July 18. These were incubated within a few days of hatching. The eggs were placed on the bare ground in an open place in the woods. On all sides, some thirty or forty yards distant, there was dense brush, but the ground was open in the immediate vicinity of the eggs. 2 For the use of this name for the northwestern nicker, see Palmer, 1916, p. 322. The parent...
