Forgotten Books, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Canada, an Encyclopedia of the Country, Vol. 2 of 5: The Canadian Dominion Considered in Its Historic Relations, Its Natural Resources, Its Material Progress, and Its National Development HE Second Volume of Mr. Castell Hopkins Encyclopedia is devoted to three subjects which must ever occupy a large and prominent place in any work on Canada - The Hudson s Bay Company, the Railways and the Churches. Among the peasantry and gentry who left France in the seventeenth century to take up their abode in Canada, few were those who settled down as tillers of the soil. By far the greater number became hunters and trappers. All accounts of the early occupation of the continent by Europeans agree that the French were exceptionally endowed for that avocation. They, more than any other race from the Old World, readily adapted themselves to the manners and customs of the aboriginal tribes; they easily fell in with their mode of life and obtained their confidence and friendship where others only met with distrust and rebuke. It would also seem that the very wildness of the forest exercised a strange fascination over the men of the Gallic race, which made them cling to the adventurous life for the very love of it, when it had been first embraced for profit and lucre. They sprang into existence a class of men who became and have remained famous all over the continent under the names of Coureur; des bois; rovers of the forest, impatient of the restraints of civilization, delighting in the freedom of the Indian whose but they shared and whose garb they adopted - a garb under Which there often coursed the best and proudest blood...
