This tale involves mature women, whom, yes, their child-bearing days now long gone, truly believe the best part of their lives ended birthdays ago, only to learn they are actually on the cusp of a new beginning, a new life as an elder, a wise one to be revered and respected. and reckoned with, damn it! CRONES AMONG US treads where most do not dare to go. Filled with laughter and tears, it is the story of women trying to cross over into Cronehood, gracefully, yet with their spirit s wild. So look out world, for there are Crones among us and we should be so lucky to meet up with one of them.
