DIFFERENT LATITUDES: MY LIFE IN THE PEACE CORPS AND BEYOND (PAPERBACK)

Peace Corps Writers, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Summer, 1971. A naive young man must decide his path upon graduation from a small university in Colorado. Amidst the turmoil of the counterculture years and the looming possibility of being sent to Vietnam, he concludes that he wants to travel, serve, and, if possible, save the world. As a Peace Corps volunteer Mark embarks on a vigorous cross cultural experience in a Caribbean and two Central American countries, with a final stop in one of the more isolated areas of the highlands of Guatemala. Though beset with a fear of the unknown and feelings of profound isolation due to being the only volunteer in a remote village, he eventually gets to know and appreciate the people of the rural communities he is privileged to live among. After a near-death experience takes him to another part of Guatemala and eventually to a horse town, Mark meets the love of his life, Ligia, who will bear him three children and be part of a lifelong commitment to and appreciation of this beautiful and unique country. Much of the courtship process will take place on a coffee plantation owned by Ligia s family, where Mark experiences a different side of Guatemalan society. While Ligia selflessly abandons her own career to focus on establishing a stable bi-cultural home for their three children during the violent Guatemalan Civil War, Mark s wanderlust takes him on a four month solo trek through Latin America and then a country change based on threats from a guerrilla group. Mark s thirteen-year career promoting rural development through various international NGOs begins when he sets up a local development agency in Guatemala to help the poorest of the poor,...
