KING MAMMON AND THE HEIR APPARENT (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from King Mammon and the Heir Apparent And, Reader, if you be a serf in this realm of Mammon, do not ?atter your foolish self with the idea that tyranny dwells only in the hearts of kings and courtiers. Do not think for a moment that lack of power means the absence of tyranny. Do not cheat yourself with the belief that because Mammon has not honored you, a nobler spirit dwells in your own breast than those which animate other tyrants raised above you. Do not suppose that hating tyrants is the same as hating tyranny. One tyrant, like you and me, may hate another and both remain slaves to their impulses but only those human beings who are emancipated by their love of freedom among other men can themselves be free. Do not believe that mere poverty drives out tyranny from the human heart. The beggar is a despot in beggarly possessions. Whether, then, you be serf or courtier, Reader, - whether your life-station under Mammon s sway gives you power over other men, or whether you feel no power in your ownbnds, but only hatred of some being possessing power that dominates your own life-work - remember that tyranny is a thing which comes out of your own heart and mind. The King whom you honor and serve is only the embodiment of your own instincts. The tyranny of Mammonism is your own inner life, given power and turned against you. The despotism of Mammon is the despotism of his subjects, emanating a little here, a little there, and aggregating finally into a power that is crush ing its creator as petty tyrants have been crushed by aggregated tyranny...
