Xulon Press. Paperback. Book Condition: New. Paperback. 34 pages. Dimensions: 8.0in. x 5.0in. x 0.1in. In my Book, Repentant Remnants Tenets, I try to make spiritual applications to real life stories that I experienced as a Physician Assistant in State Prison. One such story was as follows: . . . One particular day, a certain inmate, with a huge stature, came into the Dispensary upset about something, and I assumed he thought I was about to give him an injection. He stood by the door of my office, glaring at me with a look of malice. I, somewhat fragile, did not want to tangle with this giant, even with Health Insurance! So, like a rehearsed movement in a cowboy shootout drama, I pushed the Goonie Button under my desk. The Goonie Button is to alert many other Security Guards to an emergency need. At least one-half dozen guards responded quickly and upon seeing this giant inmate became timid; even with the paper tiger guards, the involved inmate calmed down. I believe the inmate felt sorry for such uncharacteristically wimpy guards! A spiritual application, such as I Thessalonians 1: 6-7, is that we may receive the Word in much affliction. So, as I was a Spiritual Prisoner without Christ among many questionable spiritual allegiances, my afflictions led me to Christ, prayerfully, as it will you! GOD BLESS Sincerely, W. M. P. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
