THE HISTORY OF ENGLISH POETRY, VOL. 3 OF 3: FROM THE CLOSE OF THE ELEVENTH CENTURY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The History of English Poetry, Vol. 3 of 3: From the Close of the Eleventh Century View of the Revived of Learning in England continued, ReformaHon if ReUffian, Its effects on Literature in England, Application of this digression to the main subject. Soon after the year 1500, Lillye, the famous grammarian, who had learned Greek at Rhodes, and had afterwards acquired a polished Latinity at Rome under Johannes Sulpicius and Pomponius Sabinus, became the first teacher of Greek at any public school in England. This was at saint Pauls school in London, then newly established by dean Colet, and celebrated by Erasmus; and of which Lillye, as one of the most exact and accomplished scholars of his age, was appointed the first master. And that antient prejudices were now gradually wearing off, and a national taste for critical studies and the graces of composition began to be diffused, appears from this circumstance alone: that from the year one thousand five hundred and three to the reformation, there -were more grammar schools, most of which at present are perhaps of little use and importance, founded and endowed in England, than had been for three hundred years before. The practice of educating our youth in the monasteries growing into disuse, near twenty new grammar schools were established within this period: and among these, Wolsey s school at Ipswich, which soon fell a sacrifice to the resentment or the avarice of Henry the Eighth, deserves particular notice, as it rivalled those of Winchester and Eton. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten...
