WORLD ENOUGH, AND TIME is the first book of this spell-binding action adventure trilogy. In a post-apocalyptic world 200 years from now, humans are a dying species. When Joshua's wife is kidnapped by a gryphon and a vampire, he and his comrades-a centaur and an android-set out to rescue her across a surreal landscape filled with seemingly mythological creatures. But the explanation for the existence of these beasts is based in science, and informed by nightmare. And the odyssey isn't over until they confront the evil cabal whose goal is nothing less than the extinction of the human race. About the Author: Best-selling author, James Kahn-doctor, writer, and musician-has worked with celebrated filmmaker Steven Spielberg, Star Wars creator George Lucas, and renowned sci-fi editor Judy Lynn Del Rey. Not only do his fiction credits include Return of the Jedi (on the New York Times Best-seller List for months), Indiana Jones and the Temple of Doom, The Goonies, and Poltergeist; he's also written for such television shows as Star Trek: Voyager and Xena: Warrior Princess.
