

Digital Curation: A How-to-do-it Manual (Hardback)

By Ross Harvey

Neal-Schuman Publishers Inc, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.International authority Ross Harvey's new How-To-Do It-Manual is the first one-stop resource in digital curation, and guides readers to understand and make the best use of the wide-ranging combinations of strategies, technological approaches, and activities that apply to this rapidly-emerging field. Any information professional who appraises, selects, organizes, or maintains digital resources acts as a digital curator. Whether you are a librarian, archivist, or records manager, you will find useful concepts here for professional setting. Harvey offers an in-depth, start-to-finish explanation of the digital curation process, and clarifies each step in the Digital Curation Centre's (DCC) lifecycle model, including: Create or Receive; Appraise Select; Ingest; Preservation Action; Store; Access, Use, and Reuse; and Transform. You will learn best practices for improving data access, quality, and protection, and find time-saving tools such as an extensive directory of online resources, tutorials and further references in the area. Book buyers receive exclusive access to a password-protected companion website that offers electronic, customizable versions of planning forms, checklists, and more. This book's essential techniques and expert advice are crucial to ensuring that...
