Cengage Learning EMEA, United Kingdom, 2018. Paperback. Condition: New. 5th edition. Language: English . Brand New Book. Now in its fifth edition, this respected and widely used book provides an essential introduction to financial accounting and reporting for business and management students around the world. Written very much from the `user rather than the `preparer accounting perspective, the book provides clear and comprehensive guidance on all the complex concepts and issues in accounting and reporting, together with explanation of the more technical aspects of accounting transactions. The book has a strong international perspective (being based on IFRS/IAS) and uses lots of real-life worldwide company financial statements and examples, to enable students to see how issues appear in practice.
