

The Jews & Germany - From The 'Judeo-German Symbiosis' To The Memory Of Auschwitz

Filesize: 6.76 MB

Reviews

Great electronic book and useful one. Better then never, though i am quite late in start reading this one. You can expect to like the way the author compose this ebook.

(Matteo Johnson)

THE JEWS & GERMANY - FROM THE 'JUDEO-GERMAN SYMBIOSIS' TO THE MEMORY OF AUSCHWITZ

U.S / University Of Nebraska Press, 1995. Hardcover. Condition: New. Part of the 'Texts & Contexts' series of books. This debunks a modern myth: that once upon a time, there was a Judeo-German symbiosis, in which two cultures met and brought out the best in each other. The author argues that to the contrary, the attainments of Jews in the German-speaking world were due to the Jews aspiring to be German, with little help from and often against the open hostility of Germans. As the Holocaust proved in murder and theft, German Jews could never be German enough. Now, the works of German Jews are being published and reprinted in Germany. It is a matter of enormous difference whether the German rediscovery of German Jews is another annexation of Jewish property or an act of rebuilding a link between traditions. Traverso shows how tenuous the link was in the first place. This was 'translated' by Daniel Weissbort. A 1st edition hardback with its dustwrapper, in new condition. (215 pages & 24 pages of introduction).
