Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

WHERE THE GRASS IS GREENER: MY FIRST LESBIAN EXPERIENCE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Written by BEST-SELLING author Jennifer Jagger - Based on a True Story **WARNING: This lesbian romance book contains explicit descriptions of lesbian sexual acts. Intended for adults over the age of 18.** There are people who we choose to meet, and there are people who we are destined to meet. Melanie Carson has done everything within her power to not be The Baby anymore, what more can she do to prevent her life from tumbling downhill in the succession of her sisters? Baby making, hardly able to live off what you get lifestyle, just is not for her. But does she know what is? Eva Faye is a high-powered woman of her time. Nearing forty is annoying to say the least, but she knows she is far from unattractive, so when she finds her new intern is not only pretty but innocent and sweet, she finds it hard to stay away from her. Both are in for a wild ride, but in the end can they really keep it to just the internship period?
