PACK TRANSPORTATION: QUARTERMASTER S DEPARTMENT (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Pack Transportation: Quartermaster s Department From time to time, on account Of the expense and difficulty Of ap plication, efforts have been made without success to substitute some other system of packing for the aparejo and the diamond hitch. In testing these systems there is alwa 8 one fundamental and vital ques tion to be asked, viz, does the sufistitute permit the rapid and easy alteration of the bearing surface promptly to reduce the bunches which arise from many causes and which, if not promptly reduced, speedily render the animal unserviceable. If the substitute does not adequately meet this test (which so far has only been met by the aparejo) it must be rejected. There are many other important ad vantages ossessed by the aparejo over other systems, as will appear in the stu y Of this book.
